Eligibility: All swimmers must be registered with United States Masters Swimming, Inc. All swimmers are responsible for their USMS cards and may be required to show them upon request by officials in order to compete in the meet. *All meet entry forms must be accompanied by a copy of the swimmer's current USMS registration card.* **All swimmers must be USMS-registered before warmup starts on Saturday, June 12, 2010, at 8:30 a.m.** Each swimmer is eligible to swim a maximum of five individual events for the meet, plus relays. The age reported on your entry form must reflect your actual age as registered with USMS. **A swimmer's age on the last day of the calendar year determines his/her age for the meet.** Swimmers 18-24 years of age may jeopardize their NCAA eligibility by competing in USMS meets.

Deck entries: Deck entries will be accepted until 9:30 a.m. Saturday. *No deck entries for the 800 meter freestyle.* Deck entries will be placed only in an open lane. If an event has no open lane, that event may not be deck entered.

Start/false start procedure: In accordance with USMS procedures, swimmers will be given direction to stand behind the blocks and to step onto the blocks by whistle signal. Also, false starts will not cause a recall of any event under most circumstances. Any swimmer to be disqualified for a false start will instead be notified after the event is completed. These procedures are in accordance with Articles 101.1.1, 103.8, 101.1.2, & 103.8.5B of the current USMS Official Rule Book. Swimmers should consult their current USMS Official Rule Book, and/or their team representative or coach for information about these procedures.

Lane assignments: Each event will be seeded by the pre-entered seed time of each swimmer, with the slowest heats first. No time (NT) will be seeded in the slower heats. Swimmers will be pre-seeded according to time, regardless of age. Men and women may be seeded separately, or together, as time will allow. All seeding shall be posted conspicuously around the facility at least fifteen minutes before the start of the first event. The swimmer is responsible for being in the assigned heat and lane before the start of the heat.

800 meter freestyle: *There will be no deck entries for the 800 meter freestyle.* This event shall each be limited to the first 30 entries (men and women combined). All swimmers shall swim one to a lane.

Team reps: All USMS-registered clubs should inform the meet director or the clerk of course of one official team representative before the start of event 1 or upon the team's arrival.

Relays: All relays will be deck entered. The team representative or coach shall notify the clerk of course that it is his/her responsibility for his/her team's entry. That person shall pick up the *official relay card* and be responsible for printing legibly all information asked for and each swimmer's name as registered with USMS, age, gender, on each relay card.

Awards: Team awards will be given to the top three scoring **visiting** teams. Individual awards will be given for first through eighth place by age groups and gender from 19-24, 25-29, and five year increments as high as necessary; and relays for first through eighth by age groups and gender (unless mixed gender is specified) determined by the aggregate age of the four relay team members, 76-99, 100-119, 120-159, and forty year increments as high as necessary.

Points: Points will be awarded by age group, men and women being scored separately.

Individual: First through eighth: 9-7-6-5-4-3-2-1 Relays: First through eighth: 18-14-12-10-8-6-4-2
